BEFORE & AFTER

- 2023: Low engagement, inconsistent branding, no ROI from social
- 2024: Clean, professional content and a recognisable brand presence across Instagram, Facebook & LinkedIn
- **£1 SPENT = £57 RETURN.** For every £1 spent on Kampii Media Commercial, Medway Builders earned £57 in return – and that's not even including ReadyMix, which we believe we significantly boosted too
- Employees became eager to participate in filming after seeing the success, which boosted team morale and created a stronger workplace culture
